The Magnolia Minute

In this edition of the Magnolia Minute, we're teeing up a key consideration for your charity golf tournament: the best day of the week to plan your event. Choosing the right day can make a significant difference in turnout and overall enjoyment. We'll break down the pros and cons of each option to help you select the perfect day for your tournament. So, let's dive into how the right day can drive success for your event.

Now... Can we have a MINUTE of your time?

Tip Of The Month

Choosing the Best Day for Your Tournament

When planning a charity golf tournament, the day of the week can make a difference in the overall experience. Here's a breakdown to help you decide:

- **Mondays and Tuesdays:** Many exclusive private clubs are closed on Mondays and Tuesdays, providing a unique opportunity for your tournament. This means no outside play, giving your event full access to the course without interruptions. It's a fantastic chance for golfers to experience a premier course they might not otherwise have access to.
- **Fridays:** The start of the weekend makes Fridays a popular choice. People are often more flexible with their schedules and can enjoy the event without worrying about work the next day. The relaxed, weekend vibe typically means participants will stay longer and socialize more after the round.
- **Weekends:** While weekends might seem ideal, they come with challenges. Many golfers have family commitments or other plans, and courses are often less exclusive as they cater to regular play. Therefore, weekend tournaments may not always be the best choice for a dedicated charity event.

Remember, while choosing the right day can enhance your event, don't stress too much about it. At Magnolia, we successfully host tournaments every day of the week, all year round. What truly matters is the relationships and connections you foster—people come to your event because of WHO invited them, not just the day it's held.

Happy planning, and let us know how we can help make your tournament a success!

Chick-Fil-A Cherokee County 5K

The Chick-Fil-A Cherokee County 5K is just around the corner, and this year's event is set to shine brighter than ever! For over a decade, this cherished race has been a powerhouse of community support, raising more than \$300,000 for the Cherokee County Education Foundation and the Cherokee County Special Olympics.

This year, the 5K is taking a major leap forward by incorporating an LED screen, thanks to a seamless partnership with Magnolia Golf Group (MGG). The LED screen will feature a dynamic leaderboard, enhancing the race experience for participants

and spectators alike, while also providing greater visibility for local sponsors and partners.

“The process working with Magnolia Golf Group has been seamless from the beginning. If we have any questions or need to change our design, MGG is quick to reply and help us find solutions. We’re excited to add the leaderboard to our annual 5K event to help provide an even better experience for our runners and supporters. In addition, we’re excited to create even more exposure for our valued partners to help promote their brands in our community.”
